

RANDALLSTORY
STATE BANK

Friendship is valuable for so many reasons and here's one more. We know when our customers are happy, they tell others. Every time you refer a friend who opens a checking account, you both get CASH! You get paid \$10 for every referral and there's no limit to how many friends you can refer. Your friend receives \$10 too!

It's easy to refer. Just print this card, detach the lower part and hand it to your friend. While you're at it, let them know all the stuff you love about us, like our free and convenient online services. When your friend opens a new account, you both get CASH.

Refer A Friend

Your friend has referred you. When you open a checking account and present this card, you both receive \$10.
